Hi Racers, Surf Canada is very excited to announce the Sidney SUPJAM presented by the Mill Bay Marine Group! After several years in Tofino, BC we have relocated this Canadian SUP Racing National Championships to the beautiful waterfront of Sidney, BC!

Some of you have competed in Surf Canada sanctioned events before and for some of you this will be your first time. Either way, we hope you are just as excited about competing this year as we are!

The Sidney SUPJAM weekend is super exciting as it is also Race #2 and Race#3 of the SixPack SUP Race Series, and is open and inclusive to everyone from first timers all the way to the elite class.

Each year we strive to make this National Championships better for all competitors and spectators and we feel that this year's event will be the best one yet! We hope to see each of you in Sidney May 26-27 for SUPJAM and celebrate the gathering of Stand Up and Prone Paddlers from across the country and around the World.
